How to query grant information

Before you start

Use the **FRIGRNT** form to display grant information regarding the funding source. This form is used to query existing funds linked to grants.

Before proceeding you must have the Grant code.

Querying grant information

To obtain information regarding your grant:

1   Select the form **FRIGRNT** from the **Finance Fast Track Menu** or type **FRIGRNT** in the **GO** field and press Enter.

2   Enter the Grant number which is the fund number proceeded by the letter G.

3   Hit the F8 key or execute query.
